Subject: Draft 401 Certification & Public Notice for Rosemont

Attached are the public notice as it appears today in the Arizona Daily Star and the draft State 401 certification for the Rosemont Copper Project. These documents are also being placed on our website calendar this morning.

The close of the comment period is currently set for March 24, 2014. We anticipate we will receive requests to extend the comment period. We'll make that decision when we see the comments and the requests.

If you have any questions, please contact me directly.
